Orientation Spring 2024

Orientation session of new intake of "Spring 2024" held at GIU campus on Monday, February 19, 2024.

Green International University warmly welcomed its newest cohort of students with an engaging and informative orientation program designed to set the path to academic success and shared with them the policies, rules and regulations of GIU for their upcoming new journey at GIU campus. Mr. Muhamamd Afzal (Executive Director) gave a presentation about the history of GIU & Madina

Foundation, Mr. Sheraz (Deputy Registrar) shared the university policies regarding attendance, exam and disciplinary matters etc. Then Ms Fatima Gillani (Manager OSA) conducted an introductory session about the Office of Student Affairs with new students to address their problems that may arise during their upcoming journey at GIU campus. Worthy Rector Prof. Dr. Syed Amir Gilani extended warm greetings to the new students and emphasized the university's commitment towards their academic and personal growth.

Finally Honorable chairman BOG Mr. Haider Amin encouraged students to start a new chapter of their life in an effective way and wish them luck for their future success.

Prof. Dr. Syed Amir Gilani Rector GIU taking oath from new intake of Spring 2024

Abu Ummara Medical & Dental College, a constituent entity of Green International University hosted "White Coat" ceremony for its new batch of MBBS students on Wednesday, February 21, 2024.

The management of GIU & AUMDC extended a warm welcome to the new intake of MBBS students and congratulated parents for this big day of their life. This orientation session was full of information for new aspirants of medical academia, satisfying their queries regarding the beginning of

Prof. Dr. Khalid Masood Gondal (Tamgha-e-Imtiaz)

White Coat Ceremony (MBBS)

MBBS 1st year students taking oath on their White Coat Ceremony

their journey to become health professionals.

Dr. Mohsin Ali Cheema (Vice Principal AUMDC) gave a brief introduction about "Madina Foundation", "Green International University" & "Abu Ummara Medical & Dental College" to new students and Dr. Tariq Bhatti (Principal AUMDC) administered oath from new students & shared life saving tips with them to serve the humanity.

Respected Prof. Dr. Syed Amir Gilani (Rector GIU) also welcomed the students and congratulated their parents for being the part of this noble health profession.

At last, Dr. Khalid Masood, Vice Chancellor Fatima Jinnah Medical University (Tamgha-i-Imtiaz & Presidential Pride of Performance) as chief guest of the ceremony graced the event with his thought-provoking conversation with

AUMDC students. He said that this white coat has brought to you a wide sense of responsibility and the prime purpose of the medical field should be the service to mankind & humanity instead of earning money.

Kashmir Solidarity Day

A walk was organized by GIU Management & Faculty on Kashmir Solidarity Day

bilitation Sciences GIU were the guests of honor.

Rector Prof Dr. Syed Amir Gilani gave a note of thanks to the guest speaker and presented souvenir to Dr. Ali Sajid.

Seminar on “Mojza-e-Mairaj in the Light of Quran & Science”

Department of Islamic Studies with the collaboration of Qirat and Milad society organized a seminar on the historical event of Islamic history “Shab-e-Mairaj”. Mufti Irshad Hussain Saeedi Assistant Professor, Department of Islamic Studies put light on the miracle of Mairaj with the perspective of Quran and science. He said our Holy Prophet Hazrat Muhammad ﷺ is the last messenger of Allah and each prophet was awarded with some miracles, but our beloved prophet Hazrat Muhammad ﷺ is the leader of all prophets and whole mankind till the day of judgement. So miracle of Mairaj is such an event which makes a

man astonished that how a human being can travel beyond the skies in one night that is impossible even in today's modern era of technology. Through this miracle of Mairaj, Allah Almighty proved the superiority of Holy Prophet Hazrat Muhammad ﷺ 1400 years ago and gave Him the highest rank in the entire universe as Rehmat Ul Lillalamin ﷺ.

Mufti Irshad Hussain Saeedi Assistant Professor

GIU Faculty Participated in Three Day Training Workshop Organized by PHEC on "Qualitative Research & Data Analysis using NVIVO"

Punjab Higher Education Commission (PHEC) organized a three-day Training Workshop on "Qualitative Research and Data Analysis using NVIVO" from February 12th to 14th, 2024 at Hailey College of Commerce, University of the Punjab, New Campus, Lahore.

The faculty of Green International University attended this fruitful workshop. This workshop was designed to provide teachers a comprehensive understanding of how to use NVIVO software for qualitative data analysis. An inclusive understanding was developed on Qualitative research and its methodology, qualitative research designs, its implication on various fields and its scope with empirical evidence. This workshop equipped the teachers with the knowledge and tools necessary to effectively analyze qualitative data.

Green International University provides the opportunities to its faculty members to flourish and excel in their respective fields.

GIU Students Participated in Regional Round of Pakistan Universities Debating Championship 2023-2024

Green International University always encourages Faculty and students to participate in different opportunities that help them to grow in their academic path way and capacity building.

Students of GIU participated in parliamentary style debate competition organized by Higher Education Commission (HEC) where students from across the country represented their institutions. Hamza Ch from Department of Physical

Therapy as 1st speaker, Sundas Khan from Department of Dermal Sciences as 2nd speaker and Muhammad Hanif from Law Department as 3rd speaker represented Green International University Lahore. GIU management strives hard to support its students to polish their skills and explore outer world in addition to their in-house academic activities.
